☐	**IFB Closing Date/Time**	**March 27, 2026 at 2:00pm Local Time**

☐	**Synopsis: This is a summary of the solicitation's contents**	Work under this contract consists of the reconstruction of the Anacostia Avenue Bridge over Anacostia River Outlet (Bridge 78) project in Washington DC (Project). The Contractor shall provide all labor, materials, equipment, tools and incidentals necessary for the construction of the Project in accordance with the Contract Documents ("the Work"), which includes providing all materials, equipment, labor, tools, and incidentals necessary to complete the work as shown on the contract plans, standard specifications and the supplementary specifications (also referred to as "special provision"). The specifications and special provisions describe the minimum requirements for the material, quality control, and construction that shall govern the Work to be performed.
